

Slang, Slam and whatnot, Part 2! **Conversation club / informal English course.**

Mondays, 14.50

If you think that you have mastered traditional English to a certain degree, but you would like to be able to better understand the informal, spoken English, come check out this course!

In this year's edition of the course we'll continue to expand our everyday English vocabulary, we'll talk about books, watch movies, sing some songs, listen to some audio books, and may be even put on a little play!

Get ready to laugh, cry, think and actually ENJOY SPEAKING ENGLISH!

**More on that at the first meeting of the course on Monday,
September 9 at 14.50.**

See you there!
