

Coming to you straight from Chicago

Inspired by ideas from your American peers

Come join us for another semester of fun

at

Slam Slang and Whatnot!

Let's speak, sing, play and share some ideas!

The main goal is to get you speaking! So come, bring a friend and be ready to SPEAK SOME ENGLISH!

This semester we will plan a talent show, finally make a movie (hopefully :)) , learn more idioms, have some heated debates, create an Internet-based quiz for your classmates and so on.

The class will take place in room 509 on Mondays, at 14.50.

See you there!
